Introduction

The designated Initial Coin Offering shall be participated through third party’s websites. The purpose of this Policy agreement is to inform you of how we will process your personal data as data controllers and the measures and processes we have put in place to ensure its adequate protection. We value the privacy of our customers and site visitors and thus, it is significant for you to understand our Privacy Policy. This Policy agreement does not form any contractual relationship between you and us, and we may amend it from time to time.

User Consent

We collect information about you in a range of forms, including personal data. As used in this Policy, “personal data” means data that allows someone to identify or contact you, including, for example, your name, address, telephone number, e-mail address, as well as any other non-public information about you that is associated with or linked to any of the foregoing data. We will only process your personal data in accordance with applicable data protection and privacy laws. We need certain personal data to provide you with access to our services.

We will only process your personal data:

- (a) where you have given your consent;
- (b) where the processing is necessary to provide our services to you;
- (c) where the processing is necessary to respond to a request from you;
- (d) where the processing is necessary to maintain your account with us; and

(e) where the processing is necessary for compliance with our legal and regulatory obligations

In case of (a) above, you may withdraw your consent at any time, by making a request as set out below:

The withdrawal of consent shall not affect the lawfulness of processing based on consent before its withdrawal. If you do not agree to our use of your personal data in line with this Policy, please do not use our services.

A note about children

We do not intentionally gather personal data from visitors who are under the age of 18. If a child under 18 submits personal data to Company and we learn that the personal data is the information of a child under 18, we will attempt to delete the information as soon as possible. If you believe that we might have any personal data from a child under 18, please contact us at support@xbxcoin.com.

How we collect your personal data

Information you provide to us

We usually collect your personal data from the information you submit during the course of your relationship with us. This will typically be through you registering or subscribing for one of our services, placing an order, accessing and using our online services, clicking on an advert that we put on our or someone else's website, asking for information or assistance, giving us feedback, or filling in surveys. It may be mandatory for you to provide us with your personal data, to enable us to manage our business and operations, to maintain our relationship with you, to provide our products or services to you or to comply with our legal and regulatory obligations. If you fail to provide your personal data, we might be unable to maintain our relationship with you or to provide our products or services to you.

Information we get from others and/or third parties

We may collect your personal data from other sources such as fraud prevention agencies, credit reference agencies and social media. We may also receive personal data about you from companies that provide our services by way of a co-branded or private-labeled website or companies that offer their products and/or services on our website. These third party companies may supply us with personal data. We may add this information to the information we have already collected from you via our website in order to improve the services we provide.

Information from social networking sites

In order to access certain features and functions, you may be required to access the services by logging in through Facebook and other social networking sites (collectively, "SNS"). By proceeding, you are allowing the services to access your information and you are agreeing to the SNS's Terms of Use in your use of the services. If you are not currently registered as a user of the services, and you click on "Sign up" or "Log in" using an SNS that we support, you will first be asked to enter your SNS credentials and then be given the option to register for the services. In this case, we may receive information from the SNS to make it easier for you to create an Account on the Site and show our relevant content from your SNS friends. Any information that we collect from your SNS account may depend on the privacy settings you have with that SNS, so please consult the SNS's privacy and data practices.

Information collected from you about others

If you decide to invite a third party to create an account, we will collect your and the third party's names and e-mail addresses in order to send an e-mail and follow up with the third party. We rely upon you to obtain whatever consents from the third party that may be required by law to allow us to access and upload the third party's names and e-mail addresses as required above. You or the third party may contact us at support@xbxcoin.com to request the removal of this information from our database.

What personal data we collect and how this information may be used

We will collect and process the following types of personal data about you for the following purposes:

How to update or delete your personal data

We make every effort to maintain the accuracy and completeness of your personal data which we store and to ensure your personal data is up to date. However, you can assist us with this considerably by promptly contacting us if there are any changes to your personal data or if you become aware that we have inaccurate personal data relating to you. You can update or delete your personal data at the "My account" feature or by contacting us (please see contact information below). We will not be responsible for any losses arising from any inaccurate, inauthentic, deficient, or incomplete personal data that you provide to us. If you completely delete all of your personal data, then your user account may become deactivated. We will use commercially reasonable efforts to honor your request. We may retain an archived copy of your records as required by law or for legitimate business purposes.

Marketing communications

You may receive marketing communications from us such as free newsletters and e-mails that promote the use of our services. You can choose at any time not to receive these marketing communications from us by following the unsubscribe instruction provided within the newsletters/emails, or by contacting us directly (please see contact information below). You also may opt out of receiving marketing communications through the "My account" feature. Despite your indicated e-mail preferences, we may send you service-related communications, including notices of any updates to our Terms of Use or Privacy Policy.

Sharing your personal data

We do not and will not sell, rent out or trade your personal data to any third parties. We will only disclose your personal data to the following categories of recipients:

- ▪ Companies approved or designated by you;
- ▪ Service providers that process your personal data on our behalf (such as our systems providers including cloud providers);
- ▪ Third parties to which we assign or novate any of our rights or obligations;
- ▪ A prospective buyer in the event we sell any part of our business or assets; and
- ▪ Government, regulatory agency, enforcement or exchange body or court where we are required to do so by applicable law or regulation or at their request

However, we may combine your personal data with information we collect from other users in an aggregate and anonymous format and sell or provide this anonymous data and analytics about our customers and site visitors to third parties. Before we do so, we will make sure that such information does not identify you. When we use the term “anonymous data,” we are referring to data and information that does not permit you to be identified or identifiable, either alone or when combined with any other information available to a third party. We make personal data into anonymous data by excluding information (such as your name) that makes the data personally identifiable to you.

How long we will hold your personal data for

We will only retain your personal data as long as you have your account, or as long as is necessary to provide our services to you. If reasonably necessary to comply with legal, regulatory or internal policy requirements, we may also retain your personal data.

Data security

We are committed to safeguarding and protecting your personal data and will implement and maintain appropriate technical and organizational measures to ensure a level of security appropriate to protect your personal data from accidental or unauthorized destruction, loss, alteration, disclosure or access. No transmission or storage system can be guaranteed to be completely secure, and transmission of information via the Internet is not completely secure. If you have reason to believe that your interaction with us is no longer secure (for example, if you feel that the security of any account you might have with us has been compromised), please immediately notify us of the problem by contacting us using the details below.

International transfers of personal data

Your personal data may be transferred to (including accessed in or stored in) outside of your home jurisdiction, including to countries whose laws may not offer the same level of protection of personal data as are enjoyed within your home jurisdiction.

Your rights and choices regarding information

Under certain circumstances, you have the following rights in relation to our processing of your personal data.

- • The right to obtain confirmation that your data is being processed and access to your personal data and other supplementary information
- • The right to have personal data rectified
- • The right to have personal data erased and to prevent processing
- • The right to restrict processing
- • The right to data portability
- • The right to object to the processing of personal data
- • The right to opt out email communications and marketing
- • Rights not to be subject to automated decision making and profiling.

If you wish to exercise any of your rights, please contact us at the contact information provided below. We may request that you prove your identify by providing us with a copy of a valid means of identification in order for us to comply with our security obligations and to prevent unauthorized disclosure of data.

If you decide at any time that you no longer wish to accept cookies from our service for any of the purposes described above, then you can instruct your browser, by changing its settings, to stop accepting cookies or to prompt you before accepting a cookie from the websites you visit. Consult your browser's technical information. If you do not accept cookies, however, you may not be able to use all portions of the service or all functionality of the service. If you have any questions about how to disable or modify cookies, please let us know at the contact information provided below.

You can stop all collection of information by the Application(s) by uninstalling the Application(s). You may use the standard uninstall processes as may be available as part of your mobile device or via the mobile application marketplace or network. To serve ads in our Application(s) where Cookie technology is not available, the Company hashes users' device ID. Users may choose to reset or opt out of anonymous IDs at any time. If users choose to opt out, ads delivered to the Application(s) by ad serving technology will not be served on an anonymous ID. You may at any time opt-out from further allowing us to have access to your location data by changing the settings on your mobile device.

Third party websites

Our website may contain links to third party websites. When you click on a link to any other website or location, you will leave our website and go to another site, and another entity may collect personal data or anonymous data from you. We have no control over, do not review, and cannot be responsible for, these outside websites or their content. Please be aware that the terms of this Policy do not apply to these outside websites or content, or to any collection of your personal data after you click on links to such outside websites. We encourage you to read the privacy policies of every website you visit. The links to third party websites or locations are for your convenience and do not signify our endorsement of such third parties or their products, content, or websites.

How to contact us

If you have any questions about this Policy or wish to make a request or exercise any of your rights as set out above, please contact us by dropping our Customer Experience an email at support@xbxcoin.com or by writing to us at support@xbxcoin.com

How we update or change this Policy

We may change or update parts of this Policy to maintain our compliance with applicable law and regulation or following an update to our internal practices. We will do this by updating this Policy. You will not necessarily be directly notified of such a change. Therefore, please ensure that you regularly check this Policy, so you are fully aware of any changes or updates. The “**Last Updated**” legend above indicates when this Policy was last changed. These changes will be effective immediately for new users of our service. If you do not wish to permit changes in our use of your personal data, you must notify us prior to the effective date of the changes that you wish to deactivate your account with us. Continued use of our websites or services, following notice of such changes shall indicate your acknowledgement of such changes and agreement to be bound by the terms and conditions of such changes.
